Part III REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach, disclose, or suggest the claimed limitations of (in combination with all other limitations in the claim), providing a plurality of document files, each comprising one or more pages, at least one of the document files a scan file comprising any of a scanned document file and a scanned image file, wherein the scan file is a raster data file, optionally, converting the scan file to any of a bitmap file and a page description language (PDD file; providing at least one additional file comprising another scan tile or a pre-existing print tile, the additional file comprising any of a raster data file, a bitmap file and a PDL file; displaying an image of each page of each of the document files; selecting at least one page from each of at least two of the document files; and combining the selected pages in a desired order, wherein the scanned files are merged with the document files on a page-by-page basis so that the combined pages comprise a new document file as claimed in claim 1. Similar features are claimed in claim 27. Therefore, claim 27 is allowable over the prior art of record for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
